Instruction as expert witness

Intangible Business was instructed as expert witness for an arbitration, relating to a post acquisition dispute, quantifying losses for breaches of warranty and amounts of deferred consideration due. This expert evidence covered major trade marks and businesses in a significant overseas market.

Work done

Intangible Business produced an expert report for the arbitration and supported other related processes for resolution of the dispute.

Statement by Herbert Smith Freehills LLP

“The expert evidence and support given by Intangible Business was to a high standard and an important factor in helping to secure an excellent result in this confidential dispute”
